Volunteer Opportunities

Requirements: All direct client services positions require an application, interview, background check, training, and 6-month commitment

Safehome Cleaning - Group Opportunity:

Every other month, groups (max of 15 people) give the gift of a thorough home cleaning to the residents we serve. Groups are asked to bring cleaning supplies and to sign confidentiality waivers prior to serving. Some groups also purchase movie gift cards so that residents can go to the theater while the home is being cleaned.

Graphic Design Volunteer:

Have a design background and would like to use your gifts for social good? During busy seasons it means the world to have design assistance. Apply to be a Graphic Design Volunteer by sending your portfolio and resume to jayme@restorenyc.org

Stay tuned for more!
